

Directions: In the space below, write a thesis statement for your actual research paper.

Directions: In the spaces below, write yes or no to the following questions.

\_\_\_\_\_ Is the thesis statement I've written the answer to a specific question?

\_\_\_\_\_ Is the thesis statement I've written comparing anything?

\_\_\_\_\_ Is the thesis statement I've written a summarization of the information I've gathered?

\_\_\_\_\_ Is the thesis statement I've written proving or disproving an argument?

\_\_\_\_\_ Is the thesis statement I've written clear and concise?

\_\_\_\_\_ Is the thesis statement I've written too broad (not clearly defined)?

Directions: Have a parent look over your thesis statement along with your answers to the questions. Then, talk over how you could improve on your statement, if needed.
